

DELHI PUBLIC SCHOOL, VINDHYANAGAR
PROGRESS REPORT FOR THE MONTH OF APRIL 2020- 2021
CLASSES LKG - II

3RD APRIL 2020:

As it is rightly said schools are not closed, school buildings are closed. Teachers and Staff are working harder than ever. In order to ensure academic continuity during this period of lockdown, the Academic Session was commenced on 03/04/2020 as per our schedule given in Almanac through Whatsapp. In the furtherance of this, whatsapp groups of classes were created by the teachers to communicate with the whole class. Teachers worked on curating on line content for students and created lessons and explanation in the form of audio and video. They also sent graphics like pictures and text messages to make the learning more effective. Teachers as well as the students enjoyed this seamless communication. This initiative created another venue for learning.

CLASSES VI TO VIII

APRIL 3RD 2020 – APRIL 30RD 2020 - ACADEMIC SESSION BEGINS(2020-21) ONLINE

CLASSES:

Amidst the nationwide lockdown due to COVID – 19, the academic session 2020 - 2021 began on 3rd April 2020. As per the instructions of CBSE and Our Honourable Principal Sir, online classes began through Whatsapp for all classes so as to prevent the students from any academic loss . The usual school timing scheduled from 8.00 am to 1.00 pm. Students and parents have cooperated immensely well and the combined effort has been a great success. The entire April month's classes proved that the school building can be in lockdown but not the teaching and taught.

FIT INDIA MOVEMENT APRIL 2020

The school adhered to CBSE's initiative to provide live session by experts each day covering various topics for holistic living for students especially these days when they are indoors and prone to any kind of dullness, ill health and depression. A period had been allotted for students workout during the morning classes. It's a stupendous feat by educators as these students are only the strong youth and strength of INDIA.

CLASSES IX TO XII

To felicitate the students with best possible On Line teaching classes the school with commendable approach, aide and guidelines by CBSE , stood upright in executing its duties. No child could be left with the benefit of online classes the teachers were advised to counsel and motivate the students to attend the classes regularly so attendance monitoring was made mandatory.
